The KW Mall is on fire! You and your fire crew must clear a section of the mall and rescue the pets from the Rainbow Rescue as it will be engulfed in flames in just 60 minutes!

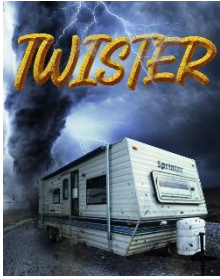

You and your team are flying south when suddenly your plane crashes! Can you repair the GPS device to broadcast your location before it's too late?

You and your team have been called upon to help defeat the Dark Lord. Can you increase your strength and destroy his powers in 60 minutes?

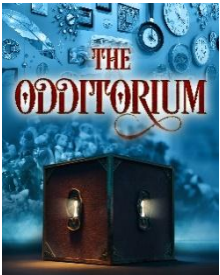

You and your team are hunting for the ultimate treasure. Will you find the key to immortality and the chest of endless riches in 60 minutes or less?

You and your team are camping when an alert sounds - a twister is coming! You have 60 minutes to find your car keys and escape the storm! Will you escape or be whisked away?

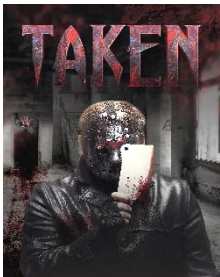

You and your team are prisoners at KW Correctional Facility. The warden has taken his lunch. You must escape from prison before he returns in 60 minutes!

You and your team find yourself in a room with a variety of odd collections, weird gadgets, and other oddities. You have 60 minutes to explore before The Odditorium closes.

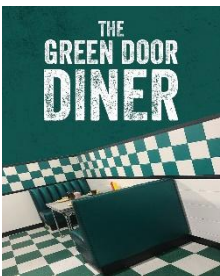

You and your team find yourself in a room with multiple exits. There are so many doors but which one leads out? You have 60 minutes to solve puzzles and find the correct door to escape from!

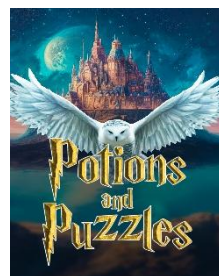

The KW Psycho is abducting people from escape rooms. Hundreds have gone missing! Are you and your team the next victims? If you are TAKEN, will you escape?

You and your team are trapped in a vortex. You will encounter many illusions and puzzles that could lead you out of the ever-spiralling vortex. Will you find the end in 60 minutes or less?

You and your team are now employed by The Green Door Diner. You must work together to close down the diner and leave through the green door in 60 minutes or less!

You are part of a group of muggles testing your skills at Wogharts! Do you have what it takes to cast spells and solve puzzles to gain admission to the school?
